We strive to provide educational opportunities for all. Our founding principles of community guide both the individual and collective behaviors of students, faculty and staff. The university expects all of its members to emulate these fundamental principles as individuals and as a community.

- We celebrate the spirit of academic excellence and strive to promote our university and its strengths through our daily interactions with students, staff, faculty and the community at large.
- We maintain a working and learning environment based on integrity, fairness, cooperation, professionalism and respect.
- We are a community comprised of people from multiple cultures, with varying lifestyles and beliefs. We celebrate this diversity for the breadth of ideas and perspectives it brings.
- We value creativity among students, staff and faculty, and acknowledge both their individual and collaborative achievements.
- We encourage health and wellness, and strive to develop a sense of environmental responsibility and stewardship among all the members of our community.
- We are committed to achieving tolerance in our community. All persons—faculty, staff and students—regardless of background or lifestyle, should participate and work together in a collegial atmosphere that we strive to make free of any and all acts of discrimination or harassment.
- We respect, support and value the civil and respectful expression of individual beliefs and opinions.

Note: These are the Founding Principles of Community of the University of California at Merced. In the years ahead, they will undoubtedly be reviewed and modified by UC Merced faculty, students and staff.

Approved: January 2003

Mission Statement

The mission of Housing and Residence Life at the University of California, Merced is to provide clean, safe, student-centered residential communities.

We cultivate our living-learning experience to support academic accomplishment, diversity and respect for human dignity, and student success.

Our sound financial management and business principles enable us to expand our programs and facilities to serve the changing needs of the students and university community.
Dear Resident Student,

Congratulations on deciding to live with us on campus during the 2013-2014 academic year.

We are thrilled to have the opportunity to work closely with you. No experience compares to what you are about to encounter as a resident student. There is nothing better than being surrounded by friends and staff who are here to support and help guide your journey towards success. Don’t just sit back in your room or suite – get out there, meet new people and take advantage of the many events and opportunities that will make this a hallmark experience.

As an on-campus housing community, we strive to create an atmosphere where residents know and respect one another and their environment. We also work to ensure our facilities are safe and secure and provide opportunities for residents to grow as young adults. We strive to live our Principles of Community, and depend on our residents to partner with us to achieve this goal.

Year after year, the most talked about change residents experience is independence. With your new-found liberty comes responsibility, not only to yourself but to the community in which you live. It’s important to make good decisions for yourself. Are you going to go to class? Should you tell your suitemates that toothpaste left in the sink grosses you out? Are you secure enough in your values not to give in to peer pressure?

Here are some things to consider when making independent decisions:

1. Will my decision help me be a successful student?
2. Will my decision impact others’ ability to be successful?
3. Will I benefit from knowing someone whose values and beliefs are different than mine?
4. Will things get better if I don’t say anything?

Student staff including, Resident Assistants, Programming Assistants and Office Assistants serve as excellent resources. As peer student leaders they have needed to make these kinds of decisions in the past. They go through extensive training to learn how to facilitate communication among residents, develop positive learning communities, coordinate workshops and events to offer you more information and tools to succeed, and enforce policies designed to facilitate a harmonious community.

We strongly encourage you to seek out your Residence Assistant should you face a dilemma and need guidance with your decision making.

The Housing & Residence Life staff and Residence Hall Association (RHA) are committed to helping you create a hallmark experience for yourself. Let’s keep lines of communication open. If everybody works to do their part, together we can create an awesome year. Feel free to stop by the office anytime to get your questions answered or simply to say hello.

Sincerely,
Leslie Santos

Valley Terraces and Sierra Terraces residents can also request refills for toilet paper and cleaning supplies from the office in the Terrace Center.

Internet Access – There is minimally one jack for every resident in each bedroom. Additional jacks may be found in the lounges, study rooms and common areas of the residence halls. Wireless access is available within the residential facilities. Many residents use the wireless network out of pure convenience, but the resource has limited bandwidth and speed compared to the wired network. For faster service, residents are encouraged to use the wired network for activities such as media streaming (Hulu, NetFlix), or video calling (Skype, Oovoo, Google Videocat). Please be advised that wireless routers negatively interfere with everyone’s wireless experience so please deactivate these devices. If you are having trouble with your wired connection, please review the troubleshooting document (http://it.ucmerced.edu/user-services/students/troubleshooting-steps-resnet-wired-network-connections) and then contact the IT Help Desk if you continue to have issues.

Residents can check the availability of washers from their rooms via the Internet. The machine to add money to your Cat Card is located in the entryway to the Terrace Center laundry room near the vending machines and at The Summits Office. A limited number of machines will take cash. Please time your loads accordingly to complete a laundry cycle before the facility closes and notify the Housing Office if any of the machines are not working properly.

Mail - One mailbox and combination is assigned to each bedroom (shared by roommates). Student mail is delivered to the mailbox in the Housing & Residence Life Office in the late afternoon each weekday. If an item is too large to fit in your box, a package slip is placed in your mailbox informing you to stop by the office to claim it. Please bring a picture ID to claim your package. The mailroom will occasionally close to facilitate the quick delivery of mail to residents.

Important Notice: “Overnight Delivery” will only ensure that our campus receiving facility will have a package the next business day. Please anticipate a delay in the personal delivery, as our campus receiving facilities services our entire campus including departments located off campus.

Students are responsible for checking their mail regularly. The university often uses this address to correspond with you. The Housing & Residence Life Offices will forward first-class mail ONLY for 30 days. After that, mail is returned to the sender.

Safety and Emergency Procedures

Residents are expected to keep safety at the forefront when living on campus and utilize the available safety resources. Please report any unsafe items or behaviors to the office immediately.

After-Hour Duty

There are two levels of staff on duty when the office is closed: RAs and Coordinators (RLCs). The RAs on duty are trained for emergencies and serve as our first line of response. The RAs can be reached by calling (209) 224-7553 – Valley Terraces; (209) 756-3972 – Cathedral and Tenaya; (209) 756-3296 – Sierra Terraces; and (209) 917-0190 – Half Dome. The Coordinators are full-time professional staff who will respond to more serious situations.
Blue Emergency Phones
Emergency phones are placed strategically throughout the campus. In an emergency only, simply press the button on the phone and it will connect you directly to the university 911 dispatch.

Community Service Officers (CSO)
Under the supervision of the UC Merced Police Department, student Community Service Officers – commonly known as CSOs -- serve as additional eyes and ears for the Police Department. At no charge to students, the CSOs will provide safety escorts to take anyone between buildings or to parking lots on campus. Anyone who needs to request a safety escort should contact Police Dispatch at (209) 228-2677 (CAT-COPS). Safety Escorts are available Monday through Friday from 6 PM until 1 AM and on weekends until 2 AM. On Saturday and Sunday the CSOs are available for safety escorts starting at 11AM. The CSOs are in constant radio contact with the Police Department.

Fire Safety
Emergency procedures and evacuation maps are posted on the back of each bedroom door.

In Cathedral and Tenaya Halls there are evacuation assistance locations for persons that may have difficulty evacuating. The locations are identified with signage and shown on the emergency evacuation map posted in each bedroom. Instructions on how to summon assistance are posted in the evacuation assistance locations.

The Higher Education Opportunity Act Annual Fire Safety Report can be accessed at http://ehs.ucmerced.edu

Keys
For your safety each resident is issued a metal key that operates both the bedroom door and suite door (if applicable). To protect you, your personal belongings and those of your room/suiitemates, keys cannot be loaned or given to another person. Residents should take their keys with them whenever they leave, and close and lock their doors behind them. Spare keys are available at the Housing and Residence Life Offices for residents to sign out (30-minute maximum) with a picture ID should they lock themselves out. Residents who have more than three lockouts during the year will be charged for the service. When the office is closed, please contact the RA on duty. Residents must report lost or stolen keys to the office immediately. A key replacement fee of no more than $90.00 will be assessed. Students living in The Summits are also issued a $5 key replacement fee for their mailbox.

Mass Notification
The Summits (Cathedral, Half Dome, and Tenaya Halls) are equipped with a Mass Notification System (campus wide paging system). This system is used to notify the campus of an emergency situation that may require specific instructions and could be used during a severe weather event, natural disaster, or other emergency event. Amber strobe lights will flash and a pre-tone will sound pending an announcement. Do not evacuate the building unless instructed to do so. Remain in your location and listen for further instruction. Strategically placed Bluelight standards equipped with Blue Phones are capable of amplified announcements in conjunction with the Mass Notification System.

Safety and Maintenance Inspections
Housing staff may enter your living spaces to conduct safety and maintenance inspections. You will be informed via UC Merced e-mail and postings on your door at least 24 hours in advance of these inspections. We will look for safety infractions (unauthorized pets and appliances), dangerous wiring, general cleanliness for health reasons, and maintenance concerns. Infractions will be communicated in writing, with any damage charges and/or instructions to remedy the situation. A re-inspection may be conducted after a specified date.

Security Cameras
Security cameras are placed in strategic locations in many of the public areas of Housing & Residence Life.
UC Merced Police
The housing staff works very closely with the UC Merced Police Department, which is available 24 hours a day, 365 days a year. As a resident student, you will see police officers quite frequently walking through our community. Feel free to stop any officer to chat or ask questions. For both emergency and non-emergency matters, feel free to contact the dispatcher at (209) 228-2677. Use the Blue Phones for emergencies only. The Campus has developed a website that contains information on “Your Right to Know” that contains important safety information and can be found at http://www.ucmerced.edu/right-to-know

Assignments and Contracts
Housing & Residence Life will make reasonable efforts to accommodate your room type and roommate preferences. However, it’s important that the Housing and Residence Life Office knows where all residents are living at all times. Residents may not move to another room without professional staff approval.

Holiday Break Closings
The residence halls are closed, Cat Card access is removed, and the Valley Terraces exterior suite locks are temporarily changed at winter and spring breaks with the exception of residents participating in the Extended Stay program. Residents are required to leave and are not allowed to access their room during these periods. Residents are instructed to take special care to make sure they have everything they need (medicine, passports, plane tickets, etc.) as they will not be allowed in once the locks have been changed.

Requests For Contract Cancellation
The terms for contract cancellations can be found in section 13 of the “UC Merced Housing and Residence Life Contract and Conditions.” Request for Contract Cancellation Forms are available at http://housing.ucmerced.edu and must be submitted in writing. They require the signature of the resident and a guardian if the resident is under the age of 18. Requests for Contract Cancellations will be reviewed at the end of the semester and approved only in extreme verifiable circumstance. Examples of these circumstances include a loss of eligibility or disassociation with the university (transfer, withdraw, marriage) or extreme medical or financial hardship occurring after the contract was submitted. In all cases, written documentation of one's situation is required, and a liquidated damages/contract cancellation fee up to $250 is assessed.

Room Change Requests
Early in both Fall and Spring Semesters residents will have the opportunity to participate in a room change process. Changes will be approved as long as all affected parties are in agreement.

Room changes outside of the room change process may be honored in extreme circumstances and must be approved by the Residence Life Coordinator before a move takes place. We recognize that having these conversations can sometimes be difficult but are extremely important to your success as a resident. Communication is the key to the success of roommates. Before a room change is considered, the following steps must occur:

1. The residents will need to attempt to resolve matters between themselves.
2. If the residents are not successful, their RA and/or LRA will attempt to help mediate.
3. If mediation doesn't work, the RLC will facilitate a formal mediation.

The decision to honor a room change request will be evaluated at this point. The Residence Life Coordinator may determine who in the conflict will need to relocate.

Roommate and Suitemate Agreements
Immediately after move-in, residents are expected to talk and agree to guidelines for living together as roommates and suitemates. Students should discuss topics such as noise, study and sleep times, general uses of the common areas, cleanliness, use of personal belongings, guests and overnight guests, etc. It is important for everyone to have a say and reach a compromise. Your RA is available to help facilitate these conversations. Residents are welcome to revise these agreements at any point and should revisit them whenever a new room/suitemate moves in.
Developing positive relations with your roommate and suitemates is one of the most rewarding on-campus living experiences. This relationship requires flexibility and the willingness to communicate in an honest, yet tactful manner. The Roommate and Suitemate Agreements encourage residents to dialogue around the topics over which conflicts most commonly arise.

**Housing & Residence Life Contracts, Policies, and Behavioral Standards**

The University of California, Merced Housing & Residence Life policies and behavioral standards are established to provide a clear understanding of expectations in order to maintain a safe harmonious community for you and others to live. Upon signing the Housing & Residence Life Contract, you agreed to abide by all university policies and information as contained in the UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations, and Students and the Housing & Residence Life Contract. You are encouraged to familiarize yourself with these policies and behavioral standards and make responsible choices. As a member of this community, it is important that you consider the effects your choices and behaviors will have on others around you. Understand that you may be held accountable for a policy violation based on a preponderance of evidence. You may also be accountable for your guest's behaviors and policy violations occurring on campus. We look forward to working closely with you, our resident students, to create a vibrant and respectful living learning community.

**Administrative Policies**

**AP 01 Administrative Agreement:** Upon signing the Housing & Residence Life Contract, you agreed to abide by all university policies and information as contained in UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations, and Students; The Housing and Residence Life Contract and Addendum; and the Housing & Residence Life Handbook.

**AP 02 Roommate/Suitemate Agreements:** To help facilitate a respectful and harmonious living arrangement, roommates/suitemates are expected to meet to discuss and document some basic living agreements using the roommate/suitemate agreement by the end of the second week after move-in. By establishing these baseline agreements early on, many minor disputes will be avoided altogether. Violations of this agreement may result in a conduct meeting.

Roommates/suitemates are welcome to revisit and revise these agreements at any time during the year and are expected to do so anytime a new resident moves into the room or suite. Residents must abide by the agreement unless and until it is revised and agreed upon by all parties. Housing & Residence Life staff reserves the right to facilitate revisions of the agreements.

**AP 03 Appliances:** For safety and sanitation reasons, the use and storage of electrical cooking appliances is not permitted in the residence halls. One Energy Star rated Micro-fridge no larger than 4.2 cubic feet, or one microwave oven operating at no more than 900 watts and one compact refrigerator not to exceed 4.2 cubic feet. Specific examples of non-permitted appliances include, but are not limited to, coffee pots (including auto shut-off), toasters, electric grills, toaster ovens, hot plates, rice cookers, hot water kettles and space heaters. For questions regarding appliances, please contact your Residence Life Coordinator.

**AP 04 Assignments and Room Changes:** Housing & Residence Life is responsible for making room assignments and reserves the right to reassign residents to another room/suite during the term of the Housing & Residence Life Contract. Residents will only occupy their designated space in their assigned room. A resident may not sublet their space. Roommates/suitemates are expected to be prepared to welcome new room/suitemates at any time after a vacancy occurs. Creating an unwelcoming environment for a new or potentially new resident is considered unacceptable behavior.

Anyone considering a room change must first discuss their situation with their Resident Assistant. Resident Assistants will make themselves available for mediation and problem solving assistance according to their schedule. In extreme circumstances room change requests may be considered outside of the allotted period for room changes. Residents moving without approval jeopardizes the possibility of the request being granted and may be required to move back into their original room. Residents must complete appropriate documentation and have Housing and Residence Life professional staff approval prior to moving.

Community lounge spaces are not to be used for overnight sleeping accommodations.
AP 05 Bicycles, Motorized Bikes and Skateboards: Bicycles and motorized bikes must be stored outside of the buildings using the bike racks provided throughout the community or the Bike Barn located outside Half Dome. For safety reasons, do not store bikes on railings, near doorways, under stairs, or anywhere that may impede the safe egress of individuals during a fire. For safety reasons, please walk bicycles and skateboards through the courtyards and sidewalks in housing. Bicycles may only be stored indoors during extended breaks and must be stored out of the path of egress.

AP 06 Bunk Beds/Lofts: For safety reasons, bunking beds, lofting, or the use of bed lifting mechanisms (e.g. bricks, wooden structures, etc.) is prohibited.

AP 07 Community Bathrooms: Residents must use bathrooms as assigned, or utilize bathrooms designated gender-neutral. Except in the case of caregivers providing assistance, there is a limit of one person at a time per toilet and shower stall. The Summit’s residents are expected to do their part in keeping the restrooms clean which includes storing personal items in cubbies and not on countertops or shower stalls. Residents of Cathedral, Half Dome and Tenaya are responsible for removing personal trash from the bathroom and must take their room trash to the trash chutes.

AP 08 Contract Termination Initiated by the University: The University, at its own discretion, may serve a 3-day notice to pay room and board, comply with the terms of this contract, or quit, whichever is applicable, for any of the following:

d. Any breach of this contract, including but not limited to failure to pay fees when due; or

e. A change in resident's admissions status or a failure of resident to remain a full-time, regularly enrolled student at university; or

f. Any failure by a resident to abide by the regulations and or policies outlined in the UC Merced Housing and Residence Life Handbook, which is incorporated herein by reference, and/or resident's engaging in conduct detrimental to himself or herself or the welfare of others; or

g. Any violation of state or federal law; or

h. Any other reason allowed by law.

AP 09 Cleanliness, Damage, and Room Condition: Residents are expected to respect their environment and maintain their room, suite, common bathroom, and public areas (e.g. kitchens, lounges, lobbies) in a clean orderly condition. To avoid unnecessary damage billing, please report all incidents of damage and vandalism to the Housing & Residence Life Office immediately.

a. Cleanliness: Regularly remove all trash and recycling items from your assigned space (room, suite, bathroom) into the appropriate dumpsters located outside of the buildings or into The Summits trash chutes.

b. Damage and Destruction: Residents will be held financially accountable for damage and destruction to university property areas. Unless the individual responsible for the damage is identified, damages will be divided equally among roommates for bedroom damage and suitemates for suite common area damages. Damages in the common areas will be divided amongst the appropriate floor-mates, or by all the residents of the building.

c. Room/Suite Condition: To document the original condition of your assigned space, residents will have the opportunity to review their Room Condition Report (RCR), within 72 hours of move-in to bring forth any concerns. Please review the form carefully and add any additional damages you may find prior to signing the form. As part of the check-out process, this form will be used as the basis for comparison and any new damage will be billed to the assigned resident(s).

AP 10 Community Living Standards: Members of this community agree to respect the rights of other residents and to conduct themselves in a manner conducive to a respectful living environment. As a contributing member of this community, you are encouraged to report all safety concerns, dangerous activities, and policy violations to the Housing & Residence Life Staff or the UC Merced Police.

AP 11 Decorating and Personalizing your Room/Suite: In Housing & Residence Life we encourage students to decorate and personalize their space and ask that you select materials that will not cause permanent damage to the property. Facilities staff assumes responsibility for painting, and therefore, residents are not allowed to paint their rooms. When selecting your decorating materials please use
adhesives that are designed to be removed without residue such as painters tape, non-oil based wall putty, small picture hooks or nails no larger than #18, and tension rods. Some examples of unacceptable materials include, but are not limited to, double-sided tape, large nails and screws. Any personal furniture must be made of fire retardant materials and must be agreed upon by all roommates/suitmates. Feel free to consult with your Resident Assistant if you have any questions about acceptable materials.

**AP 12 Electrical Safety:** Only UL approved items are permitted in Housing & Residence Life. Residents must use power-strips with surge-protectors. All extension cords must be heavy duty, single plug, and be UL approved. Altering or adapting electrical outlets and equipment and overloading circuits jeopardize human safety and thus are not permitted. Cords must be used in a safe manner and should never be covered by rugs, or stretched across the main walking path of a floor causing a trip hazard.

**AP 13 Entering Student Rooms:** Housing & Residence Life will make reasonable effort to provide written notice, normally 24 hours in advance, prior to entering a room/suite. The university reserves the right to enter a room/suite for any reason including: allowed by law, in case of an emergency; to make necessary or agreed upon inspections, repairs, alterations, or improvements, or supply services required to maintain the building; when a resident has abandoned or surrendered the room; to show a vacancy to a prospective resident; and/or pursuant to Court Order. All other personal furniture brought into Housing & Residence Life must be made of fire retardant material and must be removed at the conclusion of the contract term. A charge will be assessed for missing or damaged furniture or any personal furniture left behind. Special needs accommodations will be determined in conjunction with Disability Services.

**AP 15 Guests:** Residents are responsible for their guests’ behavior and, therefore, agree to inform their guests of university policies and expectations. You may be held accountable if your guest violates any policies. Because guests infringe on the space of others, overnight guests may stay for up to three nights within a two-week period, but only with the written approval of roommate/suitmates. Residents who feel their roommates/suitmates are violating this policy should first inform their roommate/suitemate. If the response is not satisfactory the Resident Assistant should be notified. Overnight guest agreement forms are available at the Housing & Residence Life Offices.

For security purposes, do not loan your Cat Card to others. Report a lost or stolen UCM Cat Card to the Cat Card Office immediately.

**AP 17 Keys:** You will be issued a key for your room and your UCM Cat Card will give you access to your assigned residence hall and certain common spaces. To protect you, your personal belongings, and that of your roommate/suitmates, your UCM Cat Card and/or key may not be loaned or given to another person. Residents must report lost or stolen keys to the Housing & Residence Life Offices immediately. A key replacement fee will be assessed. Any damage to key and/or lock may result in replacement fees. **Housing & Residence Life Conduct Philosophy**

Living on campus affords a resident many opportunities for learning. One goal is to learn the value and meaning of “community” and what it means to live and study together with others who may have different backgrounds and values. Another is how individual autonomy (what you would like to do regardless of others) meshes with and impacts the community in which you live. Upon signing the Housing & Residence Life Contract all members of this community have agreed to abide by the policies and information contained within the Contract as well as the UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations, and Students and the Housing & Residence Life Handbook.

Community behavior standards are designed to encourage residents to take responsibility for their actions and to ensure that the rights of all members of the community are respected. UC Merced Housing & Residence Life has designed a conduct process to address violations of university policies outlined herein, other relevant policies, and any inappropriate or illegal behavior or actions. It is important to note that any university conduct procedure may take place prior to or concurrently with criminal processes.

**Housing & Residence Life Conduct Process**

The conduct process begins with an informational report, generally filed by a Resident Assistant, indicating an alleged violation of Housing and Residence Life and/or University policy. While Resident Assistants are instructed to document apparent violations of policy, not all informational reports result in conduct action or sanctions. The informational report provides the designated Conduct Officers with information from which to decide if a conduct meeting with the resident is necessary. Informational reports are kept in Housing & Residence Life files for a period of five years or longer if necessary.

Should a conduct meeting be necessary, you will receive written electronic notification concerning the alleged violation of policy. This notification will request your attendance at a conduct meeting with a designated Conduct Officer(s).

In most cases, you will be given 72 hours advance notification of the time and date of your conduct meeting. If you are unable to attend a scheduled meeting due to a class conflict or employment, you may contact the designated Conduct Officer indicated in your conduct notification letter, to reschedule. During this meeting, you will have the opportunity to discuss the incident. After the case is heard, a decision will be rendered and accountability sanctions may be imposed if you are found to be responsible for a policy violation. Please note that if you fail to attend a conduct meeting, the conduct process will proceed without your input.
Due Process Rights
At the University of California, Merced, the general standards of due process are based on reasonable rules which are fairly, judiciously, and equitably applied. Due process for students appearing before a Conduct Officer will include the right:

1. to be presumed not responsible until found responsible by the preponderance of evidence of unacceptable behavior outlined in the UCM Housing & Residence Life Policies;
2. to be informed of his/her Due Process Rights;
3. to have complete written notice of the alleged policy violations;
4. to have a fair disposition of all matters as promptly as possible;
5. to be informed of the format and procedures of the housing conduct structure;
6. to decline to make a statement;
7. to provide additional relevant information to be considered. Relevancy of evidence shall be determined by the Conduct Officer;
8. to be informed of all decisions within a reasonable amount of time;
9. to appeal the decision and be informed of the criteria and procedures to be followed.

Sanctions
The following alternatives or combination thereof may be exercised when students have been found in violation of university policies and regulations. The appended list is not to be considered inclusive or complete, and other sanctions may be imposed at the discretion of the appropriate Conduct Officer. Also, the decision may place some additional restrictions on facility access, organizational membership and/or participation in activities representing the university.

1. Warning: An official letter of reprimand or censure.
2. Community Restitution: The requirement to provide service within a specified amount of time as restitution for behavior that distracted from the order of the community.
3. Restitution: The requirement to make financial restitution for damage, destruction, or the replacement of property.
4. Educational Project: A required project related to the violation designed to help a resident better understand behaviors that impact the community and/or learn from the experience.
5. Disciplinary Probation: Official notice that further violation of Housing & Residence Life policies and/or behavior standards and/or the UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations, and Students may result in serious consideration being given that the individual not be permitted to reside in or visit any on-campus housing facility.
6. Contract Termination Held in Abeyance: The violations were serious or pervasive enough to terminate the housing contract. However, they are being given an opportunity to remain in Housing & Residence Life. Any further violation will result in the immediate termination of the Contract.
7. Contract Termination: The University will initiate the cancellation of the Housing & Residence Life Contract and the resident will be required to vacate the premises within a specified amount of time.
8. Housing Ineligibility: The student will be prohibited from residing in any university managed housing facility for a specified amount of time. The student will be informed of this status in writing.
9. Referral to the UC Merced Police Department: In some situations the incident may be referred for civil/criminal actions.

Standard of Evidence

Formal rules of evidence are not applicable to the designated Conduct Officer. If a resident denies responsibility for an alleged policy infraction, the designated Conduct Officer must make a decision based upon the preponderance of the evidence. After weighing all of the available evidence, including the credibility of evidence, the designated Conduct Officer will decide, more likely than not, that the resident is responsible for the policy violation(s).

Appeal Process

The Director of Housing & Residence Life is the designated Appeals Officer for conduct decisions. To appeal a decision rendered by a Housing & Residence Life Conduct Officer the resident must submit directly to the Director, a request in writing within the designated timeframe indicated in the sanction letter, typically five (5) business days from the date of the letter. The resident must specify on which ground(s) the sanction is being appealed and provide written justification. Sanctions may be stayed pending appeal.

Grounds For Appeal

Disagreeing with the decision is not grounds for appeal. The appeal grounds are as follows:

1. Incongruity of sanction with the offense;
2. Unfairness in the proceedings;
3. Newly discovered important evidence not known at the time of the conduct meeting.

Appeal Review Process

The designated Appeals Officer will first determine if the resident appropriately presented grounds for an appeal. The Appeal Officer will make the final determination as to the outcome of the appeal. Only written materials pertaining to the case, including any additional written material supplied by the resident, will be reviewed unless otherwise determined by the Appeal Officer. Using the three (3) criteria established for the consideration of appeals, the Appeal Officer will determine whether:

1. The finding and recommended sanction of the original Conduct Officer should be upheld;
2. The finding of the Conduct Officer should be upheld but the sanction reduced, eliminated, or changed;
3. The case should be referred back to the Conduct Officer or to a different Conduct Officer for further investigation;
4. The case should be dropped and the charges dismissed.

It is expected that appeals will generally be considered and final decisions made within fifteen (15) working days following receipt of the student’s written request. Decisions made by the Appeal Officer are final.
