Additionally, you will be required to select how many CAT Dollars you would like to purchase for the fall and spring semesters: \$300, \$600, or \$900. CAT Dollars is a free debit card program that is available to students. CAT Dollars can be used on campus to do laundry in the residence halls, buy food in all Dining locations, purchase books, apparel, and supplies from the Campus Store, and print and photocopy materials in the library. At the end of the fall semester, the unused portion of your balance carries over for use during the spring semester.
