Safety Escorts are available Monday through Friday from 6 p.m. until 1 a.m. and on weekends until 2 a.m. On Saturday and Sunday, the CSO's are available for safety escorts starting at 11 a.m. The CSOs are in constant radio contact with the Department of Public Safety.

Fire Safety

Emergency procedures and evacuation maps are posted on the back of each bedroom door. In Cathedral and Tenaya Halls there are evacuation assistance locations for individuals that may have difficulty evacuating. The locations are identified with signage and shown on the emergency evacuation map posted in each bedroom. Instructions on how to call assistance are posted in the evacuation assistance locations. The Higher Education Opportunity Act Annual Fire Safety Report can be accessed at <http://ehs.ucmerced.edu>

Keys

For your safety, each resident is issued a metal key that operates both the bedroom door and suite door (if applicable). To protect you, your personal belongings and those of your room/suitemates, keys cannot be loaned or given to another person. Residents should take their keys with them whenever they leave, and close and lock their doors behind them. Spare keys are available at the Housing & Residence Life Office for residents to sign out (30-minute maximum) with a picture ID should they lock themselves out. Residents who have more than five lockouts during the year will be charged for the service. When the office is closed, please contact the RA on duty. Mass Notification

The Summits (Cathedral, Half Dome, and Tenaya Halls) and Glacier Point/Granite Pass are equipped with a Mass Notification System (campus wide paging system). This system is used to notify the campus of an emergency that may require specific instructions and could be used during a severe weather event, natural disaster, or other emergency event. Amber strobe lights will flash, and a pre-tone will sound pending an announcement.

Do not evacuate the building unless instructed to do so. Remain in your location and listen for further instruction. Strategically placed blue light emergency phones are capable of amplified announcements in conjunction with the Mass Notification System.

Housing staff may enter your living spaces to conduct safety and maintenance inspections. You will be informed via UC Merced e-mail and postings on your door at least 24 hours in advance of these inspections. We will look for safety infractions (unauthorized pets and appliances), dangerous wiring, general cleanliness for health reasons, and maintenance concerns. Infractions will be communicated in writing, with any damage charges and/or instructions to remedy the situation. A re-inspection may be conducted after a specified date.

Security Cameras

Security cameras are placed in strategic locations in many of the public areas of Housing & Residence Life.

UC Merced Police Department

The housing staff works very closely with the UC Merced Police Department, which is available 24 hours a day, 365 days a year. Assignments and Contracts

Housing & Residence Life will make a reasonable effort to accommodate your room type and roommate preferences. However, it's important that Housing & Residence Life staff members know where all residents are living at all times.

Residents are instructed to take special care to make sure they have everything they need (medicine, passports, plane tickets, etc.).

Requests for Contract Cancellation

The terms for contract cancellations can be found in section 13 of the "UC Merced Housing & Residence Life Contract and Conditions." Request for Contract Cancellation Forms are available at <http://housing.ucmerced.edu> and must be submitted in writing. They require the signature of the resident and a guardian if the resident is under the age of 18. Requests for Contract Cancellations will be reviewed at the end of the semester and approved only in an extreme verifiable circumstance. Examples of these circumstances include a loss of eligibility or disassociation with the university (transfer, withdraw, marriage) or extreme medical or financial hardship occurring after the contract was submitted. In all cases, written documentation is required, and a liquidated damages/contract cancellation fee up to \$250 will be assessed.

Room Change Requests

Room change requests opens on September 1 to November 1 in the fall semester, and as needed in the spring semester. Room changes must be approved by the Residence Life Coordinator before a move takes place. We recognize that having these conversations can sometimes be difficult but are extremely important to your success as a resident. Communication is the key to the success of roommates. Before a room change is considered, the following steps must occur:

1. The residents should attempt to resolve matters themselves.
2. If the residents are not successful, their RA will attempt to help mediate.
3. If mediation doesn't work, the RLC will facilitate a formal mediation.

The decision to honor a room change request will be evaluated at this point. The Residence Life Coordinator may determine who in the conflict will need to relocate.

Roommate and Suitemate Agreements

Immediately after Move In, residents are expected to discuss and form an agreement regarding guidelines for living together as roommates and suitemates. Students should discuss topics such as noise, study and sleep times, general uses of the common areas, cleanliness, use of personal belongings, guests and overnight guests, etc. It is important for everyone to have a say and reach a compromise. By establishing these baseline agreements early on, many minor disputes will be avoided altogether. Your RA is available to help facilitate these conversations. Residents are welcome to revise these agreements at any point and will revisit them whenever a new room/suitemate moves into the room or suite. Developing positive relations with your roommate and suitemates is one of the most rewarding on-campus living experiences. This relationship requires flexibility and the willingness to communicate in an honest, yet tactful manner.

The Roommate and Suitemate Agreements encourage residents to dialogue around the topics over which conflicts most commonly arise.

Housing & Residence Life Contracts, Policies and Behavioral Standards

UC Merced's Housing & Residence Life policies and behavioral standards are established to provide a clear understanding of expectations to maintain a safe harmonious community for you and others to live. Upon signing the Housing & Residence Life Contract, you agreed to abide by all university policies and information as contained in the UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations, and Students and the Housing & Residence Life Contract. You are encouraged to familiarize yourself with these policies and behavioral standards and make responsible choices. As a member of this community, it is important that you consider the effects your choices and behaviors will have on others around you. Understand that you may be held accountable for a policy violation based on a preponderance of evidence. You may also be accountable for your guest's behaviors and policy violations occurring on campus. We look forward to working closely with you, our resident students, to create a vibrant and respectful living learning community.

Administrative Policies

AP 01 Administrative Agreement: Upon signing the Housing & Residence Life Contract, you agreed to abide by all university policies and information as contained in the UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations and Students, The Housing & Residence Life Contract and Addendum, and the Housing & Residence Life Handbook.

AP 02 Roommate/ Suitemate Agreements: To help facilitate a respectful and harmonious living arrangement, roommates/suitemates are expected to meet to discuss and document some basic living agreements using the roommate/suitemate agreement by the end of the second week after move in.

Residents must abide by the agreement unless and until it is revised and agreed upon by all parties. Housing & Residence Life staff reserves the right to facilitate revisions of the agreements. Violations of this agreement may result in conduct action.

AP 03 Appliances: For safety and sanitation reasons, the use and storage of electrical cooking appliances is not permitted in the residence halls. One Energy Star rated micro-fridge no larger than 4.2 cubic feet, or one microwave oven operating at no more than 900 watts and one compact refrigerator not to exceed 4.2 cubic feet per room. Specific examples of non-permitted appliances include, but are not limited to, toasters, electric grills, toaster ovens, hot plates, rice cookers, hot water kettles, space heaters and coffee pots (including auto shut-off), though single-serve coffee brewers (Keurig or similar) are permitted. only occupy their designated space in their assigned room. A resident may not sublet their space. Roommates/suitemates are expected to be prepared to welcome new room/suitemates at any time after a vacancy occurs.

Creating an unwelcoming environment for a new or potentially new resident is considered unacceptable behavior. Anyone considering a room change must first discuss their situation with their Resident Assistant. Resident Assistants will make themselves available for mediation and problem-solving assistance according to their schedule. Residents moving without approval jeopardizes the possibility of the request being granted and may be required to move back into their original room. Residents must complete appropriate documentation and have Housing & Residence Life professional staff approval prior to moving. Community lounge spaces are not to be used for overnight sleeping accommodations.

AP 05 Bicycles, Motorized Bikes, Scooters, Hover Boards, Skateboards and Drones: Bicycles and motorized bikes must be stored outside of the buildings using the bike racks provided throughout the community or the Bike Barn located outside Half Dome and Glacier Point. For safety reasons, do not store bikes on railings, near doorways, under stairs, or anywhere that may impede the safe egress of individuals during a fire. For safety reasons, please walk bicycles and skateboards through the courtyards and sidewalks in housing. Bicycles may only be stored indoors during extended breaks and must be stored out of the path of egress.

All bicycles and motorized vehicles must be removed from the bike racks and/or Bike Barn immediately following the conclusion of the spring semester. All bicycles and motorized vehicles found in the bike racks and/or Bike Barn after spring closing will be given to the Department of Public Safety for storage and eventually disposal.

The usage of bicycles, motorized vehicles, scooters, hover boards, drones and skateboards inside any Housing & Residence Life-owned, leased, or operated properties is prohibited. Drones are also prohibited in the courtyards and sidewalks in and around housing. The possession of hover boards and associated charging devices are prohibited.

AP 07 Community Bathrooms: Residents must use bathrooms as assigned, or utilize bathrooms designated gender-neutral. Except in the case of caregivers providing assistance, there is a limit of one person at a time per toilet and shower stall. The Summit's, Glacier Point and Granite Pass residents are expected to do their part in keeping the restrooms clean which includes storing personal items in cubbies and not on countertops or shower stalls. Residents of Cathedral, Half Dome and Tenaya are responsible for removing personal trash from the bathroom and must take their room trash to the trash chutes. All Residents are expected to be responsible and use the areas of the restrooms for their designated purpose.

AP 08 Contract Termination Initiated by the University: The University, at its

own discretion, may serve a three-day notice to pay room and board, comply with the terms of this contract, or quit, whichever is applicable, for any of the following:

a. **Cleanliness:** Regularly remove all trash and recycling items from your assigned space (room, suite and bathroom) into the appropriate dumpsters located outside of the buildings or into The Summits, Glacier Point and Granite Pass trash chutes.

b. **Damage and Destruction:** Residents will be held financially accountable for damage and destruction to university property areas. Unless the individual responsible for the damage is identified, damages will be divided equally among roommates for bedroom damage and suitemates for suite common area damages. Damages in the common areas will be divided amongst the appropriate floor-mates, or by all the residents of the building.

c. **Room/Suite Condition:** To document the original condition of your assigned space, residents will have the opportunity to review their Room Condition Report (RCR), within 72 hours of move in to bring forth any concerns. Please review the form carefully and add any additional damages you may find prior to signing the form. As part of the check-out process, this form will be used as the basis for comparison and any new damage will be billed to the assigned resident(s).

AP 10 Community Living Standards: Members of this community agree to respect the rights of other residents and to conduct themselves in a manner conducive to a respectful living environment. As a contributing member of this community, you are encouraged to report all safety concerns, dangerous activities, and policy violations to the Housing & Residence Life Staff or the UC Merced Department of Public Safety.

AP 11 Decorating and Personalizing your Room/Suite: We encourage students to decorate and personalize their space and ask that you select materials that will not cause permanent damage to the property. All the decorations must abide by fire safety code. They must be arranged safely so that they do not cover or block any entrances, exits, lights, smoke detectors, fire control panels, and /or fire extinguishers.

Facilities staff assumes responsibility for painting, and therefore, residents are not allowed to paint their rooms.

When selecting your decorating materials please use adhesives that are designed to be removed without residue such as painters tape, non-oil-based wall putty, small picture hooks or nails no larger than #18, and tension rods. Some examples of unacceptable materials include, but are not limited to, double-sided tape, large nails and screws.

Postings on doors, windows and/or bedroom walls that create a hostile and intimidating living environment are not permitted.

Any personal furniture must be made of fire retardant materials and must be agreed upon by all roommates/suitemates.

Small synthetic plants or trees are permitted whereas a live plant or tree is permitted in a room with the approval of all room/suitemates. For a resident to have a faux tree, it must be a flame retardant synthetic tree. Live trees must follow the local fire ordinance and be treated with fire retardant. The disposal of plants/trees is the responsibility of suitemates and should be completed prior to winter break and spring closing; failure to do so will result in a monetary fee.

The usage of exterior lighting is permitted if the item is UL approved. Extension cords used outdoors must be heavy duty and exterior use rated. Exterior lighting may not be strung from building to building or across walkways. Exterior lights may only be hung at arm's reach; residents are prohibited from using ladders, chairs, or other apparatus that may increase your height. All electric lights used inside the suites must be UL approved. The hanging of anything from fire devices (including sprinkler heads) is strictly prohibited. The display of lights inside or outside should not be strung or placed in a manner that could be considered a trip hazard.

The use of candles, incense, or other flame producing devices is strictly prohibited. LED candles and flameless candles are permitted.

The usage of artificial snow on windows may be permitted if the person places a sheet of plastic cling wrap on the glass prior to applying the snow. Artificial snow should be removed before an extended period. All room/suite mates assume responsible for any related damages.

Feel free to consult with your Resident Assistant and/or Housing & Residence Life staff if you have any questions about acceptable materials.

AP 12 Electrical Safety: Only UL approved items are permitted in Housing & Residence Life. Residents must use power strips with surge-protectors. All extension cords must be heavy duty, single plug, and be UL approved. Altering or adapting electrical outlets and equipment and overloading circuits jeopardize human safety and thus are not permitted. Cords must be used in a safe manner and should never be covered by rugs or stretched across the main walking path of a floor causing a trip hazard.

AP 13 Entering Student Rooms: Housing & Residence Life will make reasonable effort to provide written notice, normally 24 hours in advance, prior to entering a room/suite. The university reserves the right to enter a room/suite for any reason including: allowed by law, in case of an emergency; to make necessary or agreed upon inspections, repairs, alterations, or improvements, or supply services required to maintain the building; when a resident has abandoned or surrendered the room; to show a vacancy to a prospective resident; and/or pursuant to Court Order. By submitting a maintenance work request, you are authorizing university personnel to enter the room/suite to make necessary repairs. University staff will enter a room/ suite to conduct safety inspections periodically and at closings.

AP 14 Furniture: Each resident is provided a bed, desk, chair, drawers, closet space, and window coverings. Suite living room furniture is the shared responsibility of suitemates and is furnished with soft seating, a table, and chairs. All university furniture must remain in the assigned room/suite/lounge and is the responsibility of the resident(s). Waterbeds are not permitted. All other personal furniture brought into Housing & Residence Life must be made of fire retardant material and must be removed at the end of the contract term. A charge will be assessed for missing or damaged furniture or any personal furniture left behind. Special needs accommodations will be determined in conjunction with Disability Services.

AP 15 Guests: Residents are responsible for their guests' behavior and, therefore, agree to inform their guests of university policies and expectations. You may be held accountable for all policies violated by your guest. Because guests infringe on the space of others, overnight guests may stay for up to three nights within a two-week period, but only with the written approval of roommate/suitemates. Residents who feel their roommates/suitemates are violating this policy should first inform their roommate/suitemate. If the response is not satisfactory the Resident Assistant should be notified. Housing & Residence Life Conduct Philosophy

Living on campus affords a resident many opportunities for learning. One goal is to learn the value and meaning of “community” and what it means to live and study together with others who may have different backgrounds and values. Another is how individual autonomy (what you would like to do regardless of others) meshes with and impacts the community in which you live. Upon signing the Housing & Residence Life Contract all members of this community have agreed to abide by the policies and information contained within the Contract as well as the UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations and Students and the Housing & Residence Life Handbook.

Community behavior standards are designed to encourage residents to take responsibility for their actions and to ensure that the rights of all members of the community are respected. UC Merced Housing & Residence Life has designed a conduct process to address violations of university policies outlined herein, other relevant policies, and any inappropriate or illegal behavior or actions. It is important to note that any university conduct procedure may take place prior to or concurrently with criminal processes.

Housing & Residence Life Conduct Process

The conduct process begins with an informational report, generally filed by a Resident Assistant, indicating an alleged violation of Housing & Residence Life and/or university policy. While Resident Assistants are instructed to document apparent violations of policy, not all informational reports result in conduct action or sanctions. The informational report provides the designated Conduct Officers with information from which to decide if a conduct meeting with the resident is necessary. Informational reports are kept in Housing & Residence Life files for a period of five years or longer if necessary.

Should a conduct meeting be necessary, you will receive written electronic notification concerning the alleged violation of policy. This notification will request your attendance at a conduct meeting with a designated Conduct Officer(s).

In most cases, you will be given 72 hours advance notification of the time and date of your conduct meeting. If you are unable to attend a scheduled meeting due to a class conflict or employment, you may contact the designated Conduct Officer indicated in your conduct notification letter, to reschedule. During this meeting, you will have the opportunity to discuss the incident. After the case is

heard, a decision will be rendered, and accountability sanctions may be imposed if you are found to be responsible for a policy violation. Please note that if you fail to attend a conduct meeting, the conduct process will proceed without your input.

Due Process Rights

Within the conduct process students have the right to:

1. A fair and thorough conduct meeting.
2. Be informed of all potential policy violations prior to the conduct meeting.
3. An alternate conduct officer in the event of obvious and/or significant bias.
4. Review the incident report(s) and sanction letter(s).
5. One level of appeal within the Housing and Residence Life conduct system.
6. Have a support person present at any conduct meeting pertaining to his/her conduct. The support person serves as an advisor to the student, not a representative, and may be a student, faculty or staff member, family member or another person. The support person may observe the process and provide support and guidance to the student as needed. Resident Assistants (RAs) may not serve in the support-person role due to the potential for conflict of interest; however, the RA can serve as a resource for students before and after the conduct meeting. The support person may not have a conflict of interest with the situation in question.

Sanctions

The following alternatives or combination thereof may be exercised when students have been found in violation of university policies and regulations. The appended list is not to be considered inclusive or complete, and other sanctions may be imposed at the discretion of the appropriate Conduct Officer. Also, the decision may place some additional restrictions on facility access, organizational membership and/or participation in activities representing the university.

1. **Warning:** An official letter of reprimand or censure.
2. **Restitution:** The requirement to make financial restitution for damage, destruction, or the replacement of property.
3. **Educational Project:** A required project related to the violation designed to help a resident better understand behaviors that impact the community and/or learn from the experience.
4. **Disciplinary Probation:** Official notice that further violation of Housing & Residence Life policies and/or behavior standards and/or the UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations and Students may result in serious consideration being given that the individual not be permitted to reside in or visit any on-campus housing facility.

5. **Contract Termination Held in Abeyance:** The violations were serious or pervasive enough to terminate the housing contract. However, they are being given an opportunity to remain in Housing & Residence Life. Any further violation will result in the immediate termination of the contract.
6. **Contract Termination:** The University will initiate the cancellation of the Housing & Residence Life Contract and the resident will be required to vacate the premises within a specified amount of time.
7. **Housing Ineligibility:** The student will be prohibited from residing in any university managed housing facility for a specified amount of time. The student will be informed of this status in writing.
8. **Referral to the UC Merced Department of Public Safety:** In some situations, the incident may be referred for civil/criminal actions.

You are responsible for adhering to the behavioral standards outlined in the Housing & Residence Life Contract, UC Merced Housing & Residence Life Handbook and UC Merced Student Handbook: Policies Applying to Campus Activities, Organizations and Students.

Standard of Evidence

Formal rules of evidence are not applicable to the designated Conduct Officer. If a resident denies responsibility for an alleged policy infraction, the designated Conduct Officer must decide based upon the preponderance of the evidence. After weighing all the available evidence, including the credibility of evidence, the designated Conduct Officer will decide, more likely than not, that the resident is responsible for the policy violation(s).

Appeal Process

The Director of Housing & Residence Life, is the designated Appeals Officer for conduct decisions. To appeal a decision rendered by a Housing & Residence Life Conduct Officer the resident must submit directly to the Appeals Officer a request in writing within the designated timeframe indicated in the sanction letter, typically five (5) business days from the date of the letter. The resident must specify on which ground(s) the sanction is being appealed and provide written justification. Sanctions may be stayed pending appeal.

Grounds for Appeal

Disagreeing with the decision is not grounds for appeal. The appeal grounds are as follows:

1. An incorrect decision was made.
2. The sanction is disproportional.

Decision Making for Appeal

When a student initiates an appeal, the student must demonstrate to the Appeal Officer that the initial conduct decision was incorrect or inappropriate. (Failure by the student to have attended the initial conduct meeting is not a valid reason to

appeal a conduct decision.) The Appeal Officer will review the written appeal, the incident report, and the related conduct letters. The Appeal Officer may request to meet with the student to further discuss the appeal. Within seven business
